ACTION, IRELAND!

From \$755

An itinerary through the sites where many movie sets took place. Starting from Dublin to the wonderful Wicklow Mountains, chosen by Laurence Olivier for Henry V, and then continuing to Kilkenny where Stanley Kubrik shot Barry Lyndon. The tour continues throughout medieval towns up to the County Kerry, a place untouched by time where you will have the possibility to discover the real Irish spirit. You will not miss the chance to visit the cliffs of Moher arriving up to Galway and Connemara where John Ford shot the movie The Quiet Man with John Wayne. Filmed on location in Connemara, you can see why the landscape and the scenery of the area was the real star of the movie! The tour ends in Dublin, city that has been the set of important films, such as Far and Away and Michael Collins.
